Newsletter 26th January 2018

It has been another great week in school; the children have been working really hard on their handwriting and presentation and taking pride in their work. Well done everyone!

Visit Consent Slips

Please can all parents ensure consent slips are completed, signed and returned to school at least three days before a visit. Children are not allowed to go on a visit without parental consent. Our Academy office is a very busy place and, unfortunately, staff do not have the time to phone on the morning of a visit and gain parental consent. If your child does not have a signed consent slip, they will not be able to take part in the visit and will spend the day in a different class. Thank you for your understanding on this matter.

Driving and Parking Around the Academy

I would like to remind everyone of the importance of driving slowly and carefully in the area around the Academy. The roads are very busy at the beginning and the end of the day and the children's safety is the priority. Also, if the Parent Car Park is full, please park in a convenient place on the road, not blocking drive ways, access etc. Thank you for your consideration.

Teddy Appeal

In the past, our Academy has supported DHL with their Teddy Appeal. This is a scheme which collects teddies to send to children in Africa who are less fortunate than our children. DHL will be visiting the Academy on Friday 16th February to collect our donations so if you have any unwanted teddies please send them with your child as soon as possible. Many thanks.
