Dear Parents and Carers of Year 6,

I am writing to you today, to say a huge thank you for all your support over the past four years! It is hard to believe that your child's time at Skegby Junior Academy is coming to an end. It has been an amazing four years and I have lots of happy memories of your children. The Class of 2021 will always have a very special place in my heart as we all started at the Academy, at the same time, September 2017.

I am so sorry that the current restrictions have meant that you could not be involved in celebrating the end of your child's time with us but please be reassured we will be giving them a very special time - they are all looking forward to our final three days of Forest School Camp!

I would like to finish with another thank you – thank you for your wonderful children! I am so proud of the kind, polite and hard working young people they have grown into and I would like to wish them every success in the future. I know they will achieve great things!

I hope you enjoy your Summer and make lots of special memories.

Kind regards,
Mrs Marples.
Principal.
